Subject: Docket 2009-489-E

Dear Ms. Alvarez,

I am a SCE&G customer in Eutawville and am highly displeased with their request for a rate hike. Regarding the application of SCE&G for increases and adjustments in electric rate schedules and tariffs (docket # reference above), I respectfully request a hearing to be held in Orangeburg county.

Please try to schedule a hearing so that we can openly discuss the offensive and irresponsible nature of the rate increase request.

Regards,

Jay Tiedemann
